RALEIGH

THE ALL-STEEL BICYCLE

Design, Quality and Finish...

Illustrated in this folder are bicycles which are the climax of over 70 years' constant endeavour to build the machine in accordance with the very highest standards of excellence we ourselves have set. As it is acknowledged that no better bicycles are built, we feel justly proud of these machines. When you have studied the specifications of this wonderful range of bicycles, go to your local bicycle dealer and see at first hand the remarkable range of Raleighs. It will be your pleasure to show your friends these magnificent machines which are special features of the All-Steel Bicycle. Our Cornerstone price in the range is a small deposit and a weekly instalment.
Raleigh TrenT Tourist

No bicycle is complete without Sturmey Archer

4-speed gears
3-speed gears
Combined gear & dynohub unit
Tail lamp
Dry battery unit
Roadster headlamps
